- Gym use: Gym users were reviewed and our current use outlined. Bob needs some time set aside for games and practices. St. Elizabeth Ann Seton CYO has requested access for games for their 3-4 girls. Our 3-4 girls have been invited to play. There will be weekend time and potential week day time available to them. Kirk Enko has requested access to the gym for indoor softball practice again and we would like to accommodate them. John will contact users and get a calendar prepared and speak with Fred Venne and the Town Offices about dates the gym is not available.
- Brassworks reuse money: we have been asked by the select board to outline our potential use of the money so that they can clear the use with the Town accountant and prepare an article for Town Meeting. We reviewed prior discussions and are recommending the following.
