Chairman Jim Locke called the meeting to order at 7:05PM.

- 1. The Board reviewed draft minutes from the May 6 meeting. Revisions were required so minutes were tabled until next meeting.
- 2. The Board discussed comments from Town Counsel Pat Cantor regarding the necessity of having a zoning map included with the zoning bylaw. The Board discussed which zoning districts to include on a newly revised map and how to get the map created. Chairman Locke planned to contact PVPC to create a new map.
- 3. With a motion by Steve Smith and a second by Tim McQueston, the Board voted unanimously to adjourn at 8:05PM.

Respectfully submitted, Steve Smith
