Minutes of the December meeting were approved.

DM is willing to put together the committee's annual report. Committee members spent some time reviewing the year's events.

The Valley Land Fund asked if Paul Jahnige would be willing to lead a hike in March. EK and DM offered to co-lead a hike at the Hall/O'Neil area.

Plans for a Moonlight Hike were discussed. Saturday, February 27, was chosen as the date, with the time to be determined. The hike will take place at the Big View area, with a bonfire afterwards.

HG has a new sign and maps for the Briar Hill trail kiosk. The screws on the kiosk may be rusty; the Merritts will look into that.

HG suggested that we consider goals and priorities for 2010 at our next meeting.

HG will be working on a Facebook page for trails activities.

GB wrote a letter to Hazel Warner and received permission to cross over private land during the wildflower walk in April.

The meeting was adjourned at 8:25 p.m.
